2007 Merge → 2011 Created CBF → 2013 Adopted Reseda
 → 2013 Name Change: West Valley Warner Center Chamber of Commerce!

1930-Tarzana Chamber of Commerce | 1935- Reseda Chamber of Commerce | 1941-Woodland Hills Chamber of Commerce | 2007-Merge Woodland Hills~Tarzana Chamber of Commerce | 2013 has grown to become the West Valley~Warner Center Chamber of Commerce!

The name change came about after adding our neighbor, Reseda, to our Chamber of Commerce. Reseda has a wonderful and colorful history. We have been partnering for several years with various beautification projects, advocacy, youth programs and more with Reseda. The enthusiasm of the community is inspiring. With the passing of their former Chamber of Commerce, Executive Director, Ann Kinzie, they were left with no Chamber of Commerce as of March 2010. We are honored to be Reseda's Chamber of Commerce. Although Warner Center has no zip code, it has a rich history and a powerful impact on our local economy. The Warner Center deserves a strong cohesive Chamber of Commerce. The Woodland Hills~Warner Center Neighborhood Council is their neighborhood council and we are their Chamber of Commerce. Warner Center is located in Woodland Hills. However, there is a small pocket which extends north to Vanowen and East to Desoto. The growth and development of this area will benefit our membership. The relationships that the new residents and businesses will seek can be found in our Chamber of Commerce membership base and our handy up-to-date directory of goods and services of local professionals.
